Polyflor donates iPads to local primary school

Manchester based vinyl flooring manufacturer Polyflor Ltd recently donated 15 iPads to a local primary school as part of their commitment to supporting the local community.

The iPads were donated to Chapelfield Primary School in Radcliffe, Greater Manchester, where they are being used by Year 5 students as interactive learning aids in the classroom. Polyflor chose to donate the iPads, which were formerly used by their salesforce, to the school as it is local to their Whitefield manufacturing site.

Headteacher Malcolm Gate commented, “We are very thankful to Polyflor for their generous donation. The students love using their iPads and they are a great teaching tool the whole class can now benefit from.”

Details of Polyflor’s extensive range of resilient vinyl flooring are available from Polyflor Ltd, Radcliffe New Road, Whitefield, Manchester, M45 7NR. Tel: 0161 767 1111. Fax: 0161 767 1128.
