Affinity255 PUR**

Heavy commercial luxury vinyl tiles from the Affinity255 PUR collection were chosen to create a stunning interior design scheme at luxury real estate agents Kendall & Associados in Oporto, Portugal.

280m<sup>2</sup> of Affinity255 flooring in the Flamed Chestnut design complements the vibrant green colour scheme and vintage furniture in the estate agents meeting rooms and office space.

Developed for heavy traffic commercial environments where there are high levels of footfall, the durable Affinity255 collection features an eclectic mix of 16 authentically reproduced wood plank designs in a wide plank format, incorporating both traditional styles and contemporary trends.
